In the event of any inconsistency between information contained in this handbook and the agreement(s) between you and BlueCross, the terms of such agreement(s) shall govern. The information included is general information and in no event should be deemed to be a promise or guarantee of payment. We do not assume and hereby disclaim any liability for loss caused by errors or omissions in preparation and editing of this publication.
This guide will give you an overview of the various BlueCross BlueShield of South Carolina and BlueChoice HealthPlan of South Carolina member identification (ID) cards, the symbols on these cards and how to use the information on the cards.

When members arrive at your office or facility, ask to see their current member ID cards at each visit. This will help you identify the product the member has and get health plan contact information. It will also help you with claims processing.

Remember, ID cards are for identification purposes only. They do not guarantee eligibility or payment of your claim. You should always verify patient eligibility by using My Insurance Manager℠ on our websites, www.SouthCarolinaBlues.com or www.BlueChoiceSC.com.

Blue Cross and Blue Shield Association: Prefix Changes

The three character prefix is a foundational component of the BlueCard® Program. The information the prefix contains defines the service relationships and arrangements between the Blue Plan, and its subscribers.

Due to the growth of BlueCross and its affiliates, the number of available alpha prefix combinations is now exhausted. To accommodate this growth, we have increased the prefix pool by incorporating numbers into the prefix for new groups. All Blue Plans and providers must now be able to accept a prefix that includes a combination of alpha and numeric characters.

When BlueCross members arrive at your office or facility, continue to ask to see their current member identification cards (ID cards) at each visit. Doing so will help you:

- Identify the member’s product.
- Obtain health plan contact information.
- Speed claims processing.

Remember: ID cards are for identification purposes only; they do not guarantee eligibility or payment of the claim. Verify eligibility for BlueCross BlueShield of South Carolina and BlueChoice HealthPlan of South Carolina members by using My Insurance Manager, our secure online tool. Verify eligibility for out-of-state members by calling 800-676-BLUE (2583).

Digital ID Cards

BlueCross and BlueChoice® launched a feature in My Health Toolkit® for members to access digital copies of their ID card. Members can access their digital ID cards anytime, anywhere from their computers or mobile devices. They will also be able to order cards online, print copies, download images of the cards and also email the images securely from My Health Toolkit.

How members can access their digital ID cards

If members are at your office and don’t have their plastic ID card, advise them to:

- Go to www.SouthCarolinaBlues.com or www.BlueChoiceSC.com on their mobile device and log in to My Health Toolkit.
- Select Insurance Card from the main menu.

Advantages for providers

The digital ID card:

- Provides real-time information. The digital ID card is always current.
- Is readily accessible.
- Provides a new way to capture insurance information. If your office accepts patient emails, you can encourage members to email their cards. It can also expedite check-ins and annual updates.

Digital ID card emails will come from either noreply@southcarolinablues.com or noreply@bluechoicesc.com with the subject “Insurance Card.”

Continue your practice of verifying eligibility and benefits when a member presents you with a copy of the ID card.
